

1 the email by all means ask for it. Your Honour, this is  
2 an email - I don't have a folder, but at the top is an  
3 email - - -

4 MR O'BRIEN: It's a new one, is it?

5 MR FETTER: Yes. From Tim Tamlin to Emelyn Breeze dated  
6 7 February 2018 in the notice to produce folder. Yes.

7 HER HONOUR: I'm happy to hand mine across.

8 MR FETTER: Well, it's just a sentence I'm going to take the  
9 witness to so maybe we'll see how he goes.

10 HER HONOUR: All right.

11 MR FETTER: But Emelyn Breeze had sent you this email  
12 6 February - this is at the bottom of the page,  
13 Your Honour - explaining that, "Michelle and I met with  
14 Andrew Dyer today, along with Lee Barker from his  
15 office". Just pausing there, do you know who Michelle  
16 and Andrew Dyer are?---Andrew Dyer is the National Wind  
17 Farm Commissioner.

18 All right. And - - -?---I'm not sure of Michelle.

19 Well, that's all right. The email also says, "Met with  
20 Hugh Griggs from the DELWP", the Department, yes?---Yes,  
21 okay.

22 And skipping down a couple of lines, "Andrew", so he's the  
23 commissioner, "is of the view that a good step for  
24 council is to develop a policy for processing complaints,  
25 and essentially this would be that if the wind farm is  
26 operating normally, and compliant with its permission  
27 under the planning regime, the council deems it not to be  
28 nuisance". Do you recall that email?---I do.

29 Yes. And so what I am asking is whether this is Andrew's idea  
30 or whether this has come from you?---It's definitely  
31 Andrew's idea.
